**A**MONGST the Variety of small Books published for the Instruction of Youth, there appears not to have been any of this Kind yet offered for their Amusement; and as this pleasing Method of teaching Children has been found, by Experience, to be an easy Way of leading them on in Reading, the Author has been induced, though at a considerable Expence, to publish this small HIEROGLYPHICK BIBLE, with a Design to give them an early Taste for the Holy Scriptures, and to engage them, as they may advance in Years, more earnestly and seriously in the Study of the Sacred Books of the *Old and New Testaments*.

The pious and early Instruction of Children, is certainly a material Part of every Parent's Duty; and Youth has at all Times been much benefited when, by Means of lively and striking Images, the most remarkable Things that exist in the World are represented to them; especially if the History of the Holy Scriptures is imprinted into them in their younger Days.

It is, above all, a great Advantage; when those Persons who have the constant Care and Inspection over young Children, and therewith gain an Ascendency or Power over such tender Minds, to  
guide

# P R E F A C E.

guide their Thoughts and Inclinations as they please. (I say, when these Persons are able and fit to instruct and teach the Children.) And when they possess that Capacity to excite a Desire for Knowledge, which naturally dwells in our Hearts, it is an agreeable Method to represent pleasing Figures to them: Let the proper Time never slip, when young Infants show an Inclination to receive Instruction; but don't compel Children to learn certain Tasks in certain measured Hours, for such Compulsion, or Constraint, is oftener an Obstacle than an Encouragement towards learning the necessary and useful Sciences.

To render this small Book useful and instructing, we have followed in chusing Passages from Holy Scripture the Order observed therein; beginning with the Creation, and finished with the Redemption of Mankind, interspersed with select moral Doctrines; and of all this we have quoted the most remarkable Places in the *Old and New Testaments*.

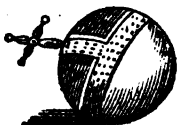

The whole Sentences, which give an Explanation of the Figures, are placed at the Bottom of each Page; and the Words, which are represented by Figures, are particularly distinguished in *Italic*. By such facilitated and pleasing Means all sensible and well-educated Mothers, Governesses, and Nurses, have it in their Power to teach and instruct even the youngest Children with proper Ideas of the most important Doctrines, and make them early acquainted with the momentous Truths in the Word of God,

**H**ERE is the Spring where Waters flow,  
To quench our Heat of Sin :

Here is the Tree where Truth doth grow,  
To lead our Lives therein :

Here is the Judge that stints the Strife,  
When Men's Devices fail :

Here is the Bread that feeds the Life,  
That Death cannot assail.

The Tidings of Salvation dear,  
Comes to our Ears from hence :

The Fortrefs of our Faith is here,  
And Shield of our Defence.

Pray still in Faith with this Respect,

That Knowledge may bring this Effect,  
To mortify thy Sin.

Then happy thou in all thy Life,  
What so to thee befalls.

Yea double happy shalt thou be,

**St. MATTHEW, the EVANGELIST.**

**T**HIS Evangelist, we are told, was born at *Nazareth*, the Place where our blessed Saviour resided, and was the Son of *Alpheus* and *Mary*, Kinswoman to the blessed Virgin : His Occupation was that of a Publican, or Tax-gatherer to the *Romans*, an Office detested by the generality of the *Jews*. After his Election to the Apostleship, he continued with the rest till the Ascension of his great and beloved Master. After which, for the first eight Years at least, he preached in different Places of *Judea* ; then travelled into several Parts, preaching the Gospel, especially *Ethiopia*, where he suffered Martyrdom, at a City called *Naddabar* ; but by what Kind of Death is not certainly known, though the general Opinion is that he was killed with an Halbert.

## St. MARK, the EVANGELIST.

**T**HIS Evangelist was descended from Jewish Parents, and supposed to have been converted by some of the Apostles; perhaps by St. Peter, whom he constantly attended in his Travels; but however this be, he preached in *Italy* and at *Rome*, where he wrote the Gospel which is called after his Name.— We are told by *Eusebius*, that he was sent by St. Peter into *Egypt* to preach the Gospel, and having planted a Church in *Alexandria*, the idolatrous Inhabitants entered it while he was performing Divine Service, and binding his feet with Cords, dragged him through the Streets to a Precipice near the Sea, leaving him there in a Prison for that Night. The next Morning they dragged him about in the same Manner, 'till he expired, and afterwards burnt his mangled Body.

## St. LUKE, the EVANGELIST

**S**T. *Luke* was born at *Antioch*, the Metropolis of *Syria*, and travelled for Improvement into several Parts of *Greece* and *Egypt*, where he became particularly skilled in *Physic*, which he made his Profession; and was also famous for his Dexterity in *Painting*. He became the inseparable Companion of *St. Paul* in all his Travels, and constant Fellow-labourer in the Work of the Ministry, who calls him *the beloved Physician*. The Time or Manner of his Death is not very well agreed on by the Ancients; but some assert, that after coming into *Greece* he successfully preached the Gospel, 'till at last a Party of Infidels opposing his Doctrines, they dragged him from the Place where he was preaching, and hung him on an Olive Tree, in the 80th, or, according to *St. Jerome*, in the 84th his Age.

## St. JOHN, the EVANGELIST.

**T**HIS beloved Disciple of our Lord was a Native of *Galilee*, the Son of *Zebedee* and *Salome*, and Brother of *James* the Great.—After the Ascension of our blessed Saviour, he applied himself to propagating Christianity, and founded many Churches in *Asia*; but being accused as a Subverter of the Religion of the Empire, he was sent bound to *Rome*, by Order of the Emperor *Domitian*, and thrown into a Caldron of boiling Oil; but was taken out unhurt.—This not being sufficient to convince this cruel Emperor, or abate his Fury, he ordered him to be transported to the Island of *Patmos*, where he wrote his Book of *Revelations*. After the Death of *Domitian* his Successor recalled those that had been banished, and St. *John* return'd again to *Asia*, and fixed his Seat at *Ephesus*, 'till Death put an End to all his Toils and Sufferings, in the 98th Year of his Age.

## DOOMSDAY; or, A Call to Judgment.

“ COME to Judgment, come away !”

(Hark, I hear the Angel say,

Summoning the Dust to rise)

Haste, resume, and lift your Eyes ;

Hear, ye Sons of Adam, hear,

“ Man, before thy God appear.”

Come to Judgment, come away !

This the last the dreadful Day.

Sov' reign Author, Judge of all,

Dust obeys thy quick'ning Call :

Dust no other Voice will heed ;

Thine the Trump that wakes the Dead.

Come to Judgment, come away !  
 Ling'ring Man no longer stay ;  
 Thee let Earth at length restore,  
 Pris'ner in her Womb no more ;  
 Hurst the Barriers of the Tomb,  
 Rise to meet thy instant Doom !

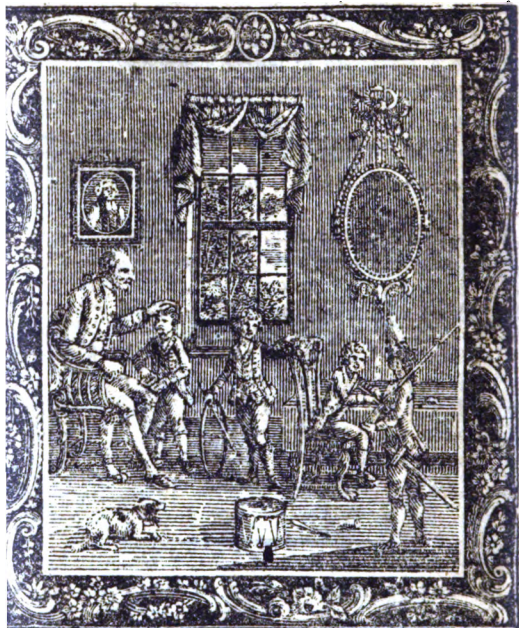

Come to Judgment, come away !  
 Wide dispers'd howe'er ye stray ;  
 Lost in Fire, or Air, or Man,  
 Kindred Atoms meet again ;  
 Sepulchred where'er ye rest,  
 Mix'd with Fish, or Bird, or Beast.

Come to Judgment, come away !  
 Help, O Christ, thy Works decay :  
 Man is out of Order hurl'd,  
 Parcel'd out to all the World ;  
 Lord, thy broken Concert raise,  
 And the Music shall be Praise.

A PRAYER for the true Use of the HOLY SCRIPTURES.

Grant this, O heavenly Father, for Jesus Christ's Sake. Amen.
